FUSE

NAPA VALLEY - CABERNET SAUVIGNON

FUSE is the creation of Ray Signorello Jr. It is a wine that represents his passion for the old world, while embracing a more modern, Napa Valley Cabernet. The wine is sourced from three separate vineyards, one being Signorello Estate and the other two hand picked by Ray himself. The small production of less than 2,000 cases allows Ray to create a truly artisan style wine, hand selected and created to embody the fusion of styles and qualities he envisions.

"The Fuse Cabernet Sauvignon is a compelling, mid-tier offering from Ray Signorello. Plush, ripe and inviting, with no hard edges, the 2015 offers superb beauty and tons of character in a forward, racy style that holds considerable near to medium-term appeal. Raspberry jam, white chocolate and sweet French oak all build into the racy finish."

91 Points, Antonio Galloni, Vinous March, 2018

HARVEST REPORT: The 2015 growing season in Napa Valley started out with unseasonably warm temperatures in the late winter and early spring. This resulted in an early bud break and bloom. Colder temperatures in May (during the peak of bloom) caused uneven fruit set which ultimately resulted in much smaller crop in 2015, compared to both average yields and also the three abundant years that preceded it. The 2015 vintage will be remembered for high quality but low yields.
